KEPUBLICANS CONFIDENT

Chairmen Cade and Anderson Make Statements.

Guthrie, O. T., Nov. 2-The Congressional campaign in Oklahoma closed tonight after many weeks of hard work devoted to the campaign by both political parties. The campaign practically reason why sufferers should pin their closed last Saturday night, but Democratte speakers, as well as Republican speakers have been filling their dates today and tonight in various parts of

Both parties are claiming the election of their candidate, and their figures in the matter do not vary to any great extent. It has been conceded that the majorities will not be large, should the election go either way, but the chairmen of the respective committees have given out no figures by counties, giving the probable majority that their candidate would receive in their estimation. Chairman Cade and Secretary Whiting of the Republican committee are more confident than ever that they have the fight The men who have been familian with the situation, are also confident that McGuire will be elected, and some e; them have been predictink that Mc-Guire's majority will be large. On the other hand, Chairman Anderson and Secretary Alexander appear confident that Cross will be elected, nithough there is not as much confidence shown among others of Cross' supporters as is the case with the officers of the Democratic com-

The condition of the weather today has exused considerable comment among leaders of bulb parties. It is believed however, that it will make little difference with the result of the election, although there are men who state that It will be to the advantage of the Democrate. Men and women suffering intense agonles from a disease that frequently stiffens the Joints, cripples the limbs and renders its victims quite helpless, can be restored to activity, vigor and health, if Paine's Celery Compound be used for a few weeks. There is every faith to this best of medicines. Your friends and neighbors have used it with success; the honest physician is prescribing it every day in cases where all other means have falled, and they are delighted with the happy results. Why hesitate, or doubt the powers, virtues and efficacy of the medicine that is curing thousands today? It is your only hope; your safety and life depend upon its use. Lizzie Pierce, Folger, Tenn., once helpless and in a critical condition from rheumatism, writes thus;-

"I had rhoumatism so bad that I could not walk, and could not bear to have my legs moved; I often thought the disease would kill me. I commenced taking Paine's Celery Compound; I used two pottles and have not had the slightest symptom of rheumatism since. I wish I could tell the whole world the good your medicine has done me. My mother, who had rheumatism for years, was cured by Paine's Celery Compound after using a few bottles. She can run now like a child and smys she feels ten years younger. I could tell you of a dozen or more people who were cured by Paine's Celery Compound."
